Secretary	Richard Cohoon (608) 635-2516 Email: <a href="mailto:racphoon@charter.net">racphoon@charter.net</a>

## November 13 Luncheon Meeting will be held at JJ's Top of the Swamp

The Thursday October 13, 2008 meeting, as well as the rest of our winter meetings, will be held at JJ's. Please note, **this will be a luncheon meeting.** We will gather about 11:30, eat, and hold a business meeting. We will be finalizing our winter meeting schedule, future activities and our June event. JJ's has great food so come to eat. Also bring lots of show and tell. Again we thank manager Tim Faust

for arranging for us to use JJ's for our winter meetings. →

Trez/Ed Sez – By Le Roy Stuczynski

**H**i Eagles. We sure had some beautiful record breaking temperature Native American Summer days this fall. I hope you all got out for those last warm weather flights of the year. Unfortunately, as I sit here, the next few days are scheduled for highs in the 30's with snow showers. I still need a couple of nice days to get things ready for, hopefully, a milder winter than last year. I've been pretty busy getting our bathroom, laundry room, and kitchen ready for a flooring job. Then I've got to plan for cooking Thanksgiving dinner because both our boys will be home for the holiday as will several other relatives join us. I hope all you Eagles have an enjoyable Thanksgiving with your families. I see that Carl Bachhuber is well under way with the B-36 project we learned about in Toledo last year. This project is a monster and you can see a picture elsewhere in this newsletter. See you at the meeting.

**Thanksgiving**

**October Minutes** - By Le Roy Stuczynski

Vice President Brad Witt called the October meeting to order. There were no minutes from the September meeting. Le Roy gave a Treasurer's report and it was accepted as presented.

We discussed our Winter meeting schedule. Harley Nelson proposed we hold November and December daytime meetings at JJ's and due to the usual bad weather during January through March months we do most of our planning during the November and December meeting and resume formal meetings in April. Any communications required during the off months would take place through email and the newsletter. This went over well with all in attendance.

We then discussed if we want to hold our June event next year. We have been getting limited attendance and many felt that we just don't have the amount of help to run the event. We will discuss this further at the November meeting and asked Brad Witt to tentatively reserve the MARCS field for June 13, 2009.

We agreed on \$150 for the December raffle prizes. At the November meeting we will solicit member(s) to get the raffle goodies and present a slate for the December election. The December meeting will include the raffle, election, and a final decision about the June event.

Le Roy went over the current IMAA membership roster which was sent in to continue our Charter status. Charlie asked Le Roy for an IMAA application to renew his membership. Charlie agreed to pay a \$50 advertising fee to cover Eagle Screams advertising through Calendar Year 2009.

Le Roy asked members to share pictures of their winter project progress along with a short blurb about the projects for the newsletter.

**Carl Bachhuber shows his B-36 project. This one has got to be his most spectacular yet and I'm sure will present new challenges which will be easily addressed by this Master Craftsman. I think Carl lives by the same motto as my dad did; "The difficult I do right away, the impossible takes a bit longer".**
